**THIS IS AN OFFER OF COIN-LAUNDRY ANALYST AND CONSULTANT SERVICES - NOT LEGAL SERVICES. THE ELEMENTS OF AN ATTORNEY CLIENT RELATIONSHIP WILL NOT EXIST.**  
**THIS FORM WILL INTERACT WITH YOUR COMPUTER**

Here is your opportunity to resolve a very common problem: You sign with a business broker and are given a "fact sheet" on a coin-laundry and the broker wants you to commit funds and make further written commitments before you can get more information. The "fact sheet" looks just great, but is it trustworthy? Should you advance money? Hire a lawyer? I can tell you whether or not it makes sense to continue.

Here's what you do: "white out" the identifying info (address of the business, etc.) on the "fact sheet", then copy it and send me the copy, together with this completed form. No broker? Then send me a summary of the seller's representations.

I will study the data and get back to you within 24 hours (usually much faster) with my professional opinion as to how trustworthy the representations appear to be, including: gross receipts issues; evaluation of potential cash on cash return; evaluation of the asking price; identifiable expense understatements or omissions; equipment evaluation and useful life estimates; lease issues; maintenance issues; possibilities re: financing; wash and fold issues; potential customer base issues; and other issues which may be associated with the business as it is described.

I will discuss the proposal with you in detail - greeting each issue or potential issue that I identify. This offer is limited solely to "fact sheet" analysis. My "Vital Info Pack" is not included.

Complete the following form and mail or overnight to my office together with your check or money order for \$199.00 payable to "Gary Ruff", or enter your credit card information and email to [garyruff@gmail.com](mailto:garyruff@gmail.com), or you can fax. Please submit only this completed form and the "fact sheet".

Your privacy will be respected. Client information is never released to anyone.

I authorize a charge to my credit card (AMERICAN EXPRESS      MASTERCARD      VISA      DISCOVER ) for coin-laundry analysis and consultant services in the amount of \$199.00.
